A little of us

Since the time of the industrial revolution in Gironella (BCN) our company has been dedicated to the manufacture of high quality garments. Founded by the director Mr. Magí Sala, the company has been passed down from generation to generation, currently being run by his great-grand children.

Over the years, we have evolved and adapted to the needs of our customers, and actually we are specialized in trekking, running and outdoor clothing.

Our products are designed with the best features in mind for the consumer. Made with the best materials and technologies to guarantee maximum comfort and the best performance in any outdoor activity.

In addition, we continue to maintain the company's textile tradition, ensuring that each garment is of the highest quality and durability.

Join us and you will be able to discover the perfect combination of tradition and technology in our garments.

Our brand SPHERE PRO is proud to be able to offer products designed for anyone looking for adventures in the mountains. Our philosophy is based on constant renewal, fluidity, adaptability. Striving to be at the forefront of technology and innovation.

Whether climbing, or hiking in difficult terrain, our technical clothing will keep you dry, comfortable and safe.

Our causes

We take pride in promoting an active, healthy and environmentally friendly lifestyle. We believe that nature is a treasure that we must protect and preserve for future generations. That is why we strive to be a more sustainable company, using recycled and eco-friendly materials in our clothing and accessories. In addition, we promote an active and healthy lifestyle, encouraging our customers to get outside and explore nature, enjoying the physical and mental health benefits that the outdoors offers. We believe that we can all do our part to protect the environment and live a healthier and more active lifestyle. Our factory has several certificates that demonstrate our commitment. Among them are DEKO-TEX, SMETA, UKISO and AMFORI.

Recognitions that endorse our responsible practices both in working conditions and environmental protection. We also collaborate in charitable causes in different areas, NGO Ayuda en acción, Vicente Ferrer Foundation, Anesvad, Transpitinaica social solidària, Catalan Down Syndrome Foundation, Friends of Hospital del Mar Foundation, Red Cross, Josep Carreres Foundation, Marina Walk Trail, etc. These are just a few examples of our social actions, but we are involved in numerous smaller-scale events, in different charitable causes and local organizations.
